

## General Personnel

### Staff Development Program

The Superintendent or designee shall implement a staff development program. The goal of such program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for licensed staff members shall be designed to effectuate the District and School Improvement Plans so that student-learning objectives meet or exceed goals established by the District and State.

The staff development program shall provide, at a minimum, at least once every 2 years, the in-service training of licensed school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.

The staff development program shall provide, at a minimum, once every 2 years, the in-service training of all District staff on educator ethics, teacher-student conduct, and school employee-student conduct.

The Superintendent shall develop protocols for administering youth suicide awareness and prevention education to staff consistent with Board policy 7:290, *Suicide and Depression Awareness and Prevention*.
