

### ***What is the Spartan Store?***

The Spartan Store is a place at every B-PC school where students can get the following (for free):

- Needed clothes and shoes
- Hats and gloves
- Shampoo, soap, or body wash
- Coats
- Laundry detergent
- Deodorant
- Pads or tampons
- Toothpaste and toothbrushes

### ***Why do we have the Spartan Store?***

We care about students and understand the struggles many of them experience.

### ***How do students get things from the Spartan Store?***

At the Junior High, the Spartan Store is located in Mr. Harrison's Office. At the High School, it is located outside Ms. Settles' Office. The Spartan Store at the Elementary is located in the school office. If a student doesn't feel comfortable getting items, they are encouraged to talk to a trusted teacher.

### ***Who can use the Spartan Store?***

Any B-PC student can use the Spartan Store. Maybe their water got turned off at home and they need some clothes, or their dryer is broken. Someone might have shoes that are worn out and they might not last until they can buy new ones.

### ***What if a student needs help with something that is not on the list?***

Students are encouraged to go to their school office or talk to a trusted teacher and we'll work together to try and get them what they need.

### ***How can I donate to the Spartan Store?***

The needs, inventory, and storage space is different for each school. If you have items you would like to donate, please contact your school office to see if they have a need for those items. New or unused items only, please, as we don't have the ability to launder used or worn items.
